Dear Paul

Local Government Pension Scheme Advisory Board

Having written to you already on a number of LGPS related issues, may I on behalf of Board members invite you to attend a Board meeting in the near future. The Board was very grateful to those previous Ministers who found the time to attend meetings in the past, and I believe that Ministers found it a good opportunity to have constructive engagement on current issues with all the relevant stakeholders in the room. I very much hope that you will find it possible to do likewise.

The Board is next due to meet on the 5th December but if that is not convenient, the first meeting in 2023 is scheduled for the 20th February. Board meetings commence at 1.00pm and are held at the LGA's office at 18 Smith Square, SW1P 3HZ but there is the facility to attend virtually if that would be more convenient for you.

I very much hope that you can find time in your diary to accept my invitation. Members have enjoyed the privilege of meeting a number of Local Government Ministers since the Board was established in 2015 and I know I speak for them when I say that they are very much looking forward to meeting you and having the opportunity to discuss current developments in the scheme with you.

Yours sincerely

Cllr Roger Phillips
Chair of the Board
